God loves me every day of the year

God loves me every day of the year

He loves me on Monday and on Tuesday

On Wednesday and Thursday and Friday

He loves me on Saturday

Even on Sunday too

His love for me will never disappear.... cause

God loves me every day of the year

God loves me every month of the year

God loves me every month of the year

He loves me In January, February, March and April

In May in June and July

He loves me in August, September and October

November and December....cause

God loves me every month of the year

God loves me any time of the year

God loves me any time of the year

He loves me

In Summer When it's STINKING HOT!

In Autumn When the leaves are brown **CRUNCH CRUNCH**

In Winter When it's really FREEZING!

In Spring New life will come again...yes

God loves me every day

Each and every single day

God loves me every day of the year
