

JESUS IS MY HERO

Well he doesn't wear a mask
And he doesn't have a cape
He doesn't need a sidekick
To help him to escape
Doesn't need a super costume
Or some superhero dance
And he doesn't wear his undies
On the outside of his pants

PRE-CHORUS

Not like Superman who's there then he's gone
He wants to be your friend 24/7

CHORUS

Jesus is my hero
My superhero
Yeah he's my hero
Cause he is God

He has power over nature
Bringing quiet to the storm
He has power over sickness
Protecting us from harm
He knows all about the future
So we don't need to be scared
And he knows just how to save us
Cause he's come back from the dead
