

JESUS IS THE REAL MYTHBUSTER

A myth is like a fairytale
A made up story
But Jesus came to show us all
That God is real

Jesus walked on the water
Then turned it into wine
He showed how much God loves us all
He healed the blind

PRE-CHORUS

People say it's a myth
But he did all of this
If we give him our trust
Then he'll make each one of us

CHORUS

Mythbusters
Jesus is the real mythbuster
Mythbusters
Jesus is the real mythbuster

Because he loves us so much
Jesus died on the cross
But then he came back from the dead
And proved he was God
